

Abhishek Joshi

Abhishek is a man of many interests and noteworthy abilities. In a career spanning 18+ years, he's worked with some of the biggest companies in the Finance sector. As a banker, he's worked with Citi Bank, ABN Amro and Deutsche Bank. He was also a part of a core group that sought to set up India's first Special Economic Zone - Positra (Pipavav).

Abhishek is passionate about building businesses. He is a partner in an industrial commodity trading firm - Sambal Ventures. As an expression of his varied interests is the co-ownership of Carden Academy, a K-8 school in Silicon Valley rated amongst the Top 5 schools in the Valley.

Abhishek also run mandates from large family offices out of Asia to help them develop their businesses.
